

DEPARTMENT FOR TRAUMA SURGERY AND ORTHOPEDICS

Prof. Dr. med. Alexander Hofmann is head of the clinic for trauma surgery and orthopedics since 2017. He has a board certification for both "Special Orthopedic Trauma-" and "Special Orthopaedic Surgery". The faculty and staff of his department are dedicated to providing outstanding, state-of-the-art, evidence-based care for musculoskeletal injuries and conditions. The clinic is certified as Level 1 Trauma Center and Orthogeriatric Trauma Center.

We focus on patient care in each of these **orthopaedic and trauma sub-specialties:**

- › Adult reconstruction and minimal-invasive joint replacement including computer-assisted navigation
- › Sports medicine and arthroscopic surgery
- › Surgery of the shoulder and elbow
- › Surgery of the hand and wrist
- › Orthopaedic trauma surgery
- › Pediatric orthopaedic trauma

**Your health and safety are
our very highest priorities.
We are ready to care for
you and your family**
